Description

Judean Hills represents the local Terroir of our Vineyards in Judean Hills. This wine is made from selected plots of Cabernet Sauvignon, Syrah and Petit Verdot grown on old terraces with top-soil of limestone rich in minerals.

Aged for 12 months in French oak barrels, this wine has wonderful texture and complex aromatic profile of black fruit and hint of earthiness. The finish is fine and fairly long.

Judean Hills is ready to drink now and will keep improving in the bottle in the next five years.
