Description

Our Gaston blend, from the Alexander Reserve Collection, is a red wine comprised of 4 grape varieties grown in a veteran vineyard of 16 years, in Ben Zimra and Kfar Shammai Ein Setter, both in the Upper Galilee.

Maintaining low grape harvests in carefully supervised conditions and employing advance agro-technology and controlled watering, the grapes are of the highest quality.

This wine has an almost opaque purple-black appearance, with touches of black pepper, berries, spices, plum and black cherry. It is full bodied, with good tannins and a complex long finish.

Our Gaston was matured in French and American oak barrels over 24 months, and cooled in stainless steel tanks.

Label: the clothing pin shown on the front label comes from the Alexander family's Tunisian jewelry collection.
